Holiday Gift Guide 2023

It's

that magical time of year when traditions come to life, and families gather to create memories that will last a lifetime.

With every cup of hot cocoa, a note of holiday music, or a scent of baked treats, may we all be transported back to our childhoods. Let's remember the thrill of counting down the days until the holidays, the anticipation building with each opened door of the advent calendar or lighting of a Menorah candle.

Twinkling lights igniting flutters of excitement, shared laughter while baking cookies, the fun of family games, the joy of giving and receiving - these are the moments that shape our holiday experiences and become the traditions we hold dear.

Now, it's your golden opportunity to create cherished moments with the little ones in your life. Our Holiday Gift Guide is designed with this in mind, curated not just to help you find the perfect gifts but also to inspire opportunities and experiences that foster family connection, fun, and memory-making.

The Family Behind the Brand

It all started with a stack of rumi cards and a dream

The dream continues as the third generation takes up the helm of **Safari Ltd®**. We continue to be adventurous and grow our vision of the future while also adhering to **Safari Ltd.'s** core values.

We've grown as a family

Our lives have been enriched over the past few years by the arrival of our four beautiful children, our move to the Jacksonville area, and settling in the amazing **Nocatee community**.

We've expanded as a company

We continue to pursue ways to better serve our fans. Over the last several years, we started direct-to-consumer sales, launched a website, created SafariPedia, added lovely like-minded brands to our product offerings, opened **ToyTopia®** toystore, and strive to be ever more eco-friendly.

We're looking forward to new adventures

We have so many exciting ideas for making **Safari Ltd®** and **ToyTopia®** even better for our fans and community. Several ideas are in the works and will soon be ready to launch. From activity kits to party planning guidance, we can't wait to share the fun with our **SafariFans!**

As this year comes to an end, we want to sincerely thank all of you for your support throughout the years. We count this community among one of our greatest blessings.

Our partnership of inspiring kids to learn through play, fostering appreciation for the natural world, and nurturing community through the power of play is looking bright as we move into the next chapter.

We wish you and yours a lovely holiday season and a year of continued love, joy, and bountiful blessings.

Warmly,
The Pariente Family

Safari Ltd. Est. 1982
